Re: *Besedin v. County of Nassau, et al.*  
Docket No. 18-CV-0819 (KAM)(ST)  
File No. 210099

Your Honor:

I represent the defendants in this action. After consulting with plaintiff's counsel, who consents to this letter, I write on behalf of all parties to update the Court on the status of discovery in accordance with the Court's order of September 20, 2022 directing the parties to submit a joint status letter.

The second session of the independent neuropsychological examination of plaintiff with Dr. Thomas Myers is scheduled for November 10, 2022. As previously advised, the examination could only be partially completed on September 2, 2022 because plaintiff had not brought his prescription eyeglasses to the appointment.

Plaintiff's counsel wishes to review Dr. Myers' report before determining whether he will seek Dr. Myers' deposition. Defendants also reserve the right to take the deposition of plaintiff's expert neuropsychologist, N.G. Berill, Ph.D., and the deposition of plaintiff, Robert Besedin Sr.

Additionally, the deposition of plaintiff's wife, Mrs. Besedin, is scheduled for November 2, 2022.
